L'OCCITANE
EN PROVENCE

AN ICONIC DESTINATION

In the beating heart of Haute-Provence, birthplace of La Maison L'Occitane en Provence, Le Couvent des Minimes embodies the very soul of this sunlit and inspiring land.

Lavender fields, olive groves, historic stone walls— our 17th-century convent has become a sanctuary of Provençal Art de Vivre.

A place to slow down.

Where precious moments are shared with simplicity.

Here, the Maison L'Occitane en Provence unveils its most meaningful expression of holistic better-being in its iconic Spa.

Every detail invites guests to pause, to reconnect, not only with themselves, but also with others and with nature.

A true reflection of the multisensory and expert philosophy of Spa L'Occitane en Provence.

The destination of Better-Being.

BienVenue.

MOMENTS
of Better-Being

Where Nature flourishes,
Inspiring our ingredients, our surroundings,
and our gestures crafted by expert hands.

Sleepy notes of lavender,
Warm sunlight caresses the skin.
Soothing melody of nature.
Close your eyes...

Be Touched by Haute-Provence.

A moment beyond time, where reason meets heart,
and time slows to be savored with pleasure.
So you see clearly, feel deeply, listen intently.
The body releases, the mind unwinds.

More than well-being, this is ***Better-Being.***
